

**SUMMER BREAK HOLIDAY HOMEWORK
CLASS II SESSION 2015 - 16**

Dear Parents,

Summer brings with it the ever smiling sun, fresh breeze, blooming Flowers and HOLIDAYS!

When the sun is high and the heat is great, it is time for break time to go for a vacation or pursue a recreation.

Holidays are the time for the parents to become teachers and friends! Vacations help to rejuvenate your child and develop an everlasting bond between you and your child by devoting your precious time toward him/her.

Allow us to facilitate you to help your child explore his/her environment. Make optimum use of this to cultivate your child's interest in co-curricular activities.

Glocal Teachers

Dear Grade II Glocalite,

Wow! Summer break is here again. No school, No teachers!!!!

But to keep you engaged in a productive manner, interesting activities have been planned for you. Relax, enjoy, relish cool drinks and tasty food & at the same time improve your knowledge and skills through the assignments planned for you.

Activity I

Help your mother in arranging the wardrobe of your family members. Learn buttoning up the shirts and arranging your clothes in the wardrobe. Learn to polish your shoes and tie shoe laces.

In the following format, Write the names of dresses you and your family members wear in summers.

Name of the dress	Type of fabric	Whose is it? (name of the family member.	Description(size , colour, shape)	Cost of each/ cost per meter.

Activity II

Make a collage with pictures of the dresses written above (Activity I) and label them (either draw or cut pictures from the magazines).

The most expensive fabric _____

The least expensive fabric _____

Which fabric people buy/wear mostly in summers?

Activity iii

What to do in summers? In the checklist given below put (✓) or (x) Correct the statement if its wrong.

1. Keep stale food in kitchen.
2. Keep food covered in kitchen.
3. Eating fruits and vegetables which have been cut and left long before.
4. Eating junk food frequently.
5. Eating green vegetables
6. Drinking less water
7. Wearing woollen clothes in summer
8. Going out with an umbrella in the afternoon.

<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>
<input type="checkbox"/>

Activity IV

Make a set of table mats for your dining table by using a thick sheet and pasting pictures of different fruits, vegetables or any items of your choice and get it laminated.

Activity VI गर्मियों के किसी एक माह का कैलेंडर बनाये और उस माह में आने वाले त्योहारों के नाम लिखिए ।

Activity v

Count the total number of fans, windows, stair cases, spoons, tables and doors in your house. Write these in words also.

Interdisciplinary activity.

You are going for a party along with your parents and one friend but you are getting late for the party because of traffic signals. While waiting for the light to turn green, explain the importance of traffic lights to your friend in about TEN SENTENCES in English. Underline the nouns, circle the pronouns, box the adjectives used in the paragraph.

Draw a labelled diagram of traffic signals on a chart paper and write this paragraph on the same chart paper.

Write a few traffic rules in Hindi. (SULEKH)

If you came across 15 traffic signals on the way, calculate the total no. of traffic lights in these signals.

Also, find out the no. of red, green and yellow lights in 15 traffic signals.

Decorate this chart using your own imagination and creativity.

All these tasks are to done on a single scrap file.

HAPPY HOLIDAYS!!!!!! HAVE FUN

PLEASE NOTE: The best project/ assignment will be awarded special prizes on the Annual Prize Distribution day.
